Roles:

Everyone: Turn up at 7; 7.30 is youth group start time, not time for leaders arriving!

Prepare in advance for the topic being studied

In small groups; facilitate discussion.

; Try to finish early enough for 10-15 minutes prayer time at the end of study time.

MC: Welcome kids, open in prayer, is the regular 'what's happening next' person.

Games: Prepare games for the group. Can be a big job, so feel free to get others in helping, but the responsibility is on you to organise that...

Activity: Organise and run activity such as: spotlight, song review, memory verse; anything else that is more than a game, but less than a Bible study; feel free to be creative and run other ideas by us to try....

Talk: Give a short, 10 minute talk on the topic for the week before we break off into small discussion groups to chat about the talk and answer 2 or 3 Q's

Supper: Provide some food and drink eg chips and lollies and drink for the kids during supper time.
